

Does your dog get nervous or grumpy when approached by strangers & other dogs?

Would you like to make others aware that your dog needs space when out in public?

A **YELLOW RIBBON** or other yellow indicator on a dogs leash means **THIS DOG NEEDS SPACE.**

There are many reasons why a dog may need space:

...pup in training.

...in season.

...unwell.

...old & grumpy.

...post-op.

...nervous.

Please do not approach these dogs or their people with your dog. Maintain a respectable distance or give the dog and his/her person time to move out of your way.
